

Norton 360 Deluxe 2021 – Antivirus software for 5 Devices with Auto Renewal Includes VPN, PC Cloud Backup & Dark Web Monitoring powered by LifeLock [Key Card]

Norton 360 Deluxe gives you comprehensive malware protection for up to 5 PCs, Macs, Android or iOS devices, including 50GB of secure PC cloud backup and Secure VPN for your devices. Enrolling in our auto-renewing subscription and storing a payment method is required for activation and use.* We won't charge you until your renewal period. You will get an email reminder before we charge your payment method and can cancel your automatic renewal at any time in your Norton account. Also included are additional features such as Password Manager, Parental Controls, SafeCam that alerts you and blocks unauthorized access to your PC's webcam, and Dark Web Monitoring powered by LifeLock,** where we monitor and notify you if we find your personal information on the dark web.

General Disclaimers & Disclosures

*PAYMENT METHOD REQUIRED FOR 1 YEAR PRE-PAID SUBSCRIPTION:

You are purchasing a recurring subscription which will automatically renew after the first year. To activate, you must enroll online and provide your billing information. The cost paid today is valid for the first year of your subscription, and will automatically renew and charge your stored payment method the applicable renewal cost found on Norton's site. The cost is subject to change, but we will always send you a notification email in advance. You may cancel the automatic renewal by logging into your account, or contacting us at: 844-488-4540.

Your coverage may include product, service and/ or protection updates and features that may be added, modified or removed, subject to the applicable License and Services Agreement found on NortonLifeLock site. Data collection, storage and use for subscription management and renewal purposes subject to our Global Privacy Statement found at NortonLifeLock site.

**Defaults to monitor your email address only. Log in to your Norton account to enter more info for monitoring. If you are a current LifeLock member, you must review and manage those settings in your LifeLock portal.

***Requires your device to have an Internet/data plan and be turned on.

****Virus Protection Promise: Restrictions apply. Must subscribe with automatic renewal. See Norton site for details.

*****Usage requires active, automatically renewing security subscription. Turning off automatic renewal ends eligibility for this benefit.
