

KRIEGER Professional series Universal Surge Protector

Will accept most of the plug types from around the world, including: UK, US, all of Europe, China, Australian and more! The AC surge suppression for full protection of 220-250V workstations desktop PCs tele systems and other sensitive electronics. Built-in AC surge suppression shields connected equipment from damage and performance problems due to transient surges. The KR136 offers 6 Universal outlets and a length of 6 ft with German/French plug. AC suppression rated at 450 joules shields equipment from surges and line noise. Lighted on/off switch with integrated circuit breaker provides power control over connected equipment. Right-angle outlets keep connected cords from blocking adjacent outlets. Attractive light gray high-impact housing.

- Heavy Duty German Schuko Plug

Model No.	KR136
AC Rating	10A, 250V, 2500W, 50Hz
Child Protection	Yes
Fire Retardant Housing	Yes
Housing	ABS/Grey
Outlet (Total)	6
Cord Length (Exposed)	6 Ft./Black
AC Plug Style	European
Overload Protection	Yes
Switch	2 in 1 (lighted)
Circuit Total Joules	450 Joules
Clamping Voltage	330V
Response Time	Less than 1 Nanosecond
Max. Spike Current	6500A
Max. Spike Voltage	6500V
Approval	CE
Weight	0.6 Lbs.
EAN	0841915000453
