MOUNTING INSTRUCTIONS

1. Place your Juniper device on the rack with the connectors facing the front.
2. Secure the appliance to the rack with bolts on both sides (two on the left, one on the right).
3. Place the power supply on the rack and secure it with 2 zip ties.
4. Connect the power cable to the power outlet and tie down the excess length of the power cable with the 3rd zip tie.

Please ensure proper ventilation according to the network appliance manufacturer's guidelines.
