

LENCENT Multiple USB Wall Charger, [22W/4.4A] 4 Port USB Travel Power Adapter, All in One Worldwide Cell Phone Charger With UK US EU European Australia, International Block Cube Plug for iPhone & iPad

Model Number: A4403

About this item

Universal Travel Adapter: Travel light with LENCENT international plug adapter. It comes with a built-in US plug and 3 additional AUS, EU, and UK plug adapters for convenient interchange, compatible with 200+ countries and regions worldwide. One adapter handles your charging needs at home and abroad.

22W USB Charger: This 4-port wall charger delivers up to 2.4A/12W per port, with a total output of 4.4A/22W max, allowing you to charge 4 devices simultaneously, suitable for charging phones, tablets, headphones, power banks, camera batteries and other travel essentials.

Advanced Auto ID Technology: Powered by smart charging technology, this multi USB plug can automatically detect the optimal current flow for various devices and adjust the charging power accordingly, ensuring an efficient and safe charging experience.

All-Round Safety Protection: With multiple safety features and a fireproof shell, LENCENT travel charger effectively protects your devices from over-current, over-voltage, over-heating and short-circuit, giving you peace of mind whenever you charge.

Ideal for Travel: Measuring (2.57*2.23*1.2 in) and weighing only 80 g, this portable charger adapter is your go-to solution for seamless charging. The included little carry bag offers easy storage for different international plugs and takes up minimal space in your luggage, making it a perfect companion for business trips, international travel, and cruise ships.

Connectivity Technology: USB

Connector Type: USB Type A

Compatible Devices: Headphones

Compatible Phone Models: iPhone

Additional Features: Travel, Short Circuit Protection, Automatic Off, Fast Charging

Input Voltage: 250 Volts

Mounting Type: Wall Mount

Amperage: 4.4 Amps

Total USB 2.0 Ports: 4

Wattage: 22 watts

Output Current: 4.4 Amps

Output Voltage: 5 Volts (DC)

Power Source: AC

Current Rating: 2.4 Amps

Frequency Range: 50 hz - 60 hertz

Main Power Connector Type: 2 Pin

Portable: Yes

Number of Power Levels: 1

Power Plug: Type A - 2 pin (North American), Type F - 2 pin (German & Spanish), Type G, Type I - 3 pin (Australian)

Brand: LENCENT

Built-In Media: Charger, Manual, Storage Bag

Warranty Description: 2 year manufacturer
